FESTIVAL angels

PLANS FOR 2025

2024 saw incredible growth of Festival Angels (and other similar) teams. We invested over 16,000 hours into 60 festivals and events.

This will give us a stronger structure and means all Festival Angels will be under one banner.

To help with this growth and development we are making some changes!

We have a vision to see teams at even more music festivals and events.

From 1/1/2025 Festival Angels is to become a Private Limited Company (still part of ROC and ROC Angels).

We believe Festival Angels is a model that can easily be replicated by others at local events with our support and resources offered.

FESTIVAL angels

PLANS FOR 2025

We are looking to employ someone to help coordinate all we do - more details soon!.

We want to be better at standing with festival organisers and staff in support of them to simply be available and show our gratitude.

We are looking for a Festival Angels corporate sponsor to give us some financial capacity as we plan for more.

The part you play as a volunteer or supporter is what makes everything happen - THANK YOU!

We are seeking partnerships to be a stronger voice for faith involvement at festivals and events.

Jesus Loves Festivals and so do we! Join our journey festivalangels.org.uk
