INTRODUCING

FESTIVAL ANGELS

Festival Angels are volunteer teams who work at several music festivals across the UK (and recently launched into America) over the summer months. We work in areas such as prayer cafes, detached teams, safe place hubs, lost property, mental health / well-being hubs and welfare.

INTRODUCING

FESTIVAL ANGELS

Festival Angels is a Christian organisation with a heart and mission to 'love the person in front of us' through support and help for festival-goers and partnership with festival organisers. We work at several festivals including Leeds, Download and Kendal Calling.

Our volunteers complete a sign-up process, are interviewed and have references taken. We always work in teams and aim to pair new Angels with returning Angels. We work on a donation basis and tailor our offer to the festival.

We are currently planning our 2027 Festival Angels season. If you would like to consider having our teams at your festival please get in touch - paul@festivalangels.org.uk / 07725501465. Check out festivalangels.org.uk for more.
